FOR IMMEDIATE RELEASE

(Toronto – March 03, 2012) After a successful first season, Momentum Dance Toronto (MDT) is bringing its second annual production back to the Winchester Street Theatre this coming April. MDT is a collective of adults from the GTA who have all studied dance in various forms throughout their lives. Many of its dancers have chosen to pursue the art form as a career, while others simply dance for personal joy. In any case, Momentum Dance Toronto has provided a venue for artists wishing to collaborate, create, perform, grow friendships and give back to the community together.

“MDT had a very successful first season,” says Stephanie Busted, Executive Director of Momentum Dance Toronto. “We could not be more thrilled to be able to continue to provide Toronto’s artistic community with another avenue to explore dance and dance performance.”

After months of preparation, the MDT collective is thrilled to bring their second annual performance and production, *PROJECTIONS*, to the Winchester Street Theatre, 80 Winchester Street, from April 11th – 14th, 2012. Performances run April 11, 12, 13 and 14 at 8pm, with a matinee performance on April 14th at 2pm. Tickets are only \$20 for the Wednesday night performance, and \$25 for all remaining productions. They can be purchased online at: www.momentumdancetoronto.com or at the door.

Momentum Dance Toronto takes you on a journey of sight, sound and motion in our second annual production, *Projections*. Compiling a variety of dance forms and choreography, we share with you music from movies over time that have inspired us to express ourselves through movement. We seek to make you laugh, to dream, to cry and to connect, in some way, to the human condition. Most importantly, we seek to entertain.

“The Co-Founders of Momentum Dance Toronto continue to be amazed and inspired by the talent, energy and commitment of our dancers and choreographers,” says Sylvia van Helden, Artistic Director of Momentum Dance Toronto. “What an inspiration it has been to share and learn from such talented individuals. PROJECTIONS is full of energy and music that we all connect to, whether from nostalgia, memories or times of joy with family and friends. It really is a pleasure to watch. We truly hope that the Toronto community comes out to experience PROJECTIONS for themselves.”

ABOUT MOMENTUM DANCE TORONTO:

Momentum Dance Toronto (MDT)'s vision is to bring together adults from different walks of life and varied dance backgrounds; to provide creative outlets through classes, teaching, choreography and performance; and to develop a sense of camaraderie through dance.

Toronto boasts an array of hidden, lost and even undeveloped talent and artists. MDT is here to seek out those people, and to provide them with opportunities to explore, discover, create, share and grow through a variety of creative outlets.

MDT is primarily an exclusive member-based performance dance company created on the notion that there are people out there with strong dance backgrounds, who despite having pursued careers in a variety of other professions, still crave the spotlight. MDT's goal to reignite that passion and love for the stage, and to provide dancers an opportunity to share and showcase their strengths and talents, and perhaps even learn a thing or two in the process. But more importantly, Momentum Dance Toronto wants to ensure a fun, encouraging, and community focused environment, where new friendships and connections are possible.

OPEN COMPANY classes are available for those who cannot commit to the performance company.

PRIMARY DANCE DISCIPLINES: Ballet, Modern, Contemporary, Lyrical, Jazz, Tap and Hip Hop.
